Meeting the Spiritual and Religious Needs of Patients, Visitors & Staff at New Cross Hospital

We offer a friendly face and a listening ear.

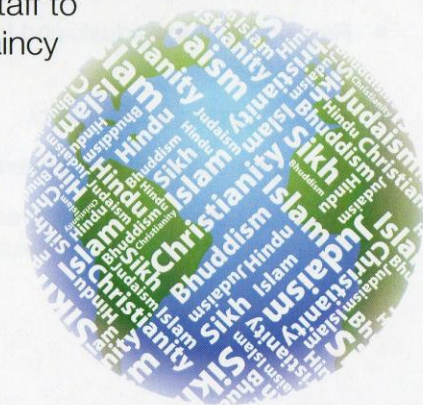

We are here for everyone, for people of all Faiths and those of no Faith.

We seek to provide spiritual and pastoral support, appropriate to the individual needs of patients, staff and visitors.

We visit the wards regularly and also hold services in the hospital chapel / prayer room.

If you would like to see a Chaplain please ask a member of staff to contact the Chaplaincy Team.

We are happy to talk about anything and everything.

The Chaplaincy Team

Chaplains of various faiths (Christian, Hindu, Muslim & Sikh) are available for spiritual, religious & pastoral support and visit the wards regularly.

We offer a 24hr / 7 day a week emergency on - call service. We are based in the chaplaincy office which is situated in location C8 (above renal) at New Cross Hospital.

Please ask a member of staff to page the on call chaplain via switchboard if you would like to talk to a chaplain.

The Team seeks to:

Our agreed values include:

- Treating everyone as an individual.
- Being non-judgemental.
- Maintaining confidentiality.
- Respecting all individuals and to recognise that all human life is precious.
- Providing privacy and dignity.
